

Healthy Soil Compost is looking for an environmentally-minded, hard working, and self-motivated individual willing to help with the pickup and transportation of food-waste from our 500+ clients.

Part-time driving position currently available. (25 - 35 hrs per week)

- Starting Pay \$12.00 w/ increase based on performance and interest with growing into leadership roles within the company.
- WEEKEND AVAILABILITY REQUIRED
- We have shifts available 7 days per week 9am - 3pm.
- Option for hours to increase.

Employment Responsibilities.

- Pickup / Delivery of buckets and bins.
- Maneuvering through your daily route assignments while using our service applications on your smartphone.
- Data collection and route data communication/reporting.
- Unloading, cleaning and preparing bins/buckets for collections the following day.
- Providing an excellent and detailed service to each of our accounts daily. Details are a very important element to our service quality.

Employment Requirements.

- Must have current drivers license and clean driving record; while being comfortable maneuvering vehicle and/or bicycle through a city environment and finding addresses. (No CDL Required)
- Must have smartphone in good operating condition.

- Must have reliable transportation to our offices in Bridgeport and West Town, with ability to arrive to work on-time every day.
- Strong desire to work with your mind AND your hands. Must be teachable and have strong communication skills.
- Must be able to lift 50 pounds above your head. Our work is physical at times and requires lifting, pulling, pushing, and safe-handling of heavy materials.
- Must be detail oriented, possess demonstrated ability to work independently, multitask and react quickly to changing conditions.
- Must be organized and have the ability to keep materials clean and in good working order.

Employment Perks.

- All-season, outdoor work, fresh air, bicycle routes when available; working independently, servicing the earth, the community and helping our clients compost!
- Fun, hard working team environment. We work together to help Chicago compost!
- Opportunity for growth and increased opportunities within a small, yet rapidly growing company environment. Performance based wage increases when applicable.
- FREE AT-HOME COMPOST SERVICE!
- 5 paid vacation days after 12 months employment. (2 days after 6 months and/or 5 days total after 12 months.)

Interested individuals please respond via email to this post!

Send us a simple resume or previous employment training, please confirm you can meet all job responsibilities, and your current availability.

We look forward to meeting you!
