Seasonal Garden Retail Associates

Sprout Home is hiring seasonal garden retail associates for the upcoming season to work outdoors under the direction of our full-time garden staff. Primary job responsibilities will include retail sales and customer service, daily outdoor plant maintenance, as well as unloading plant and product deliveries efficiently. Successful candidates will have a passion and curiosity for horticulture as well as confidence working outside rain or shine. Prior customer service experience in a retail garden center is highly preferred but not essential. Priority will be given to candidates with a background in retail, horticulture, landscaping, urban farming, or a combination thereof. Regardless of your experience level, working with Sprout will provide a knowledge base to advance in the field of professional horticulture. Candidates must have a valid driver's license and ability to comfortably lift 50 pounds. This is a part time (16-28 hours per week) seasonal position to start with future opportunity to grow alongside our incredible team. In addition to weekday availability, candidates must also be available to work Saturdays or Sundays beginning in April. Please send us your resume to chinfo@sprouthome.com or stop by to introduce yourself.
